Roadwork Scheduled

December 10, 2012

The South Carolina Department of Transportation (SCDOT) will have a striping contractor on-site at the SC 46/Bluffton Parkway Round-a-bout on Tuesday, December 11, 2012. The work will begin at 7:00 p.m. lasting until 7:00 a.m. More pavement striping is planned around and within the circle to help better delineate designed traffic movements. The circle will remain open during the striping operation, but will be reduced to only one lane. Please use caution when navigating through this area.
